Objective

I am looking for full-time advisor position. I have experience in the industry both as a mechanic and as a service advisor. For the last 6 months I have been working as a service receptionist/ advisor & decided it wasn't a good fit for me. I'm looking forward to getting back into a full-time advisor role. I have completed my first aid certificate multiple times and keep it current. I am very good with customers. I am a hard worker, reliable and well presented. I have extensive experience in customer service, both retail and the food industry. I am keen to further my knowledge and practise my skills. I look forward to the challenges that await me in my new job.
