Hi Chris,

Yes, I didn't think it was you but just wanted to cover all bases. I won't mention the job change to Wen until you get back to me with the wage offer and details. Lena can draft a variation for him to go over and sign when you decide. I don't want to give Prince or Wen the impression MJ terminated his employment while he was on workers comp. It's illegal and iCare would probably impose a fine on AAG and MJ personally if they find out. Try and get back to me this week with the wage information..

Regards.

Hi David

No not me directly though I do believe he is aware that there is not a job at Alexandria for him. Prince has made it quite clear that he would like to stay at Smithfield.

Hi Chris,

I know you wouldn't do this without chatting to me first but just to rule it out, Wen is not referring to you below is she?

Hi David,

Hope you are well.

I had a chat with Prince yesterday and he advised his on-site manager was satisfied with his performance and would like to offer him a full time job at Smithfield. Could I confirm this with you?

As I was advised and also observed his current job is less physical than his pre-injury role, and Prince is happy with his current role, I will liaise with NTD to discuss return to pre-injury duties certificate once I receive confirmation from you.

Please let me know.

Many thanks.

Kind Regards,
