RE: Sick Leave

Hi John,

I think as of the 16th of March, he had 13 days of sick leave owing. I think he has been off since then as well ???? So this new period would be a paid as a mixture of paid and unpaid leave. My view is that given given his lack of cooperation in following sick leave policy, say nothing and assume he is not going to be at work, He wont get paid for most of that time and that is tough luck for him.

Arguing quarantine periods are unpaid will just cause more work for us as he will no doubt use another reason and go to the FWO (as his email to me sort of suggested) - Additionally I don't want the FWO looking into our stand down situation as I don't think it is a valid stand down.

I think (if the above is correct) only 3 days will be paid and he has now used up all his sick leave entitlements.

Regards.

Surely we have a right as his employer to ask what he has.

It will be a total of almost 5/6 weeks.....
