Hi Mark,

I would like to terminate my employment with City Ford Zetland at this stage.  
Due to quite obvious reason and issues with Ali (sales manager).

Communication, clear understanding on both our behalfs and harrasement and phone calls regularly during work hours, after hours, my days off and even an hour before i am due to start work.

This happened regularly and often made customers and fellow employees feel uncomfortable as well as myself.

All factors slowly and eventually affected my progress and affected my sales results.

At this stage do not want the chance to work along side Ali.

However i do appreciate myself and City Ford Zetland giving me the opportunity.

For the record i did see my sales drop and my levels of effort change and this is not the person i am.

Thank you again Mark.

Kind regards  
Andrew Lippett
