The goal

Research has shown staying at or returning to work as soon as you can after injury helps you recover. The goal for you is to return to work with your employer. We are here to help you reach your goals and this is how we will get there.

The plan for your recovery

The following goals have been identified to help you achieve a recovery at work.

Goal description	Action required	Who will action	Date due
To attend reasonably necessary treatment as prescribed by your treating doctor	It's important to contact your Case Management Specialist before starting any new treatment or services for the treatment request to be reviewed. To participate and attend all appointments and approved treatment as recommended by your treating doctor.	Dale Kam	24/05/2020

Goal description	Action required	Who will action	Date due
To gradually return to work to pre-injury duties	Mr. Dale Kam is required to regularly attend reviews with Nominated Treating Doctor, this is to ensure a certificate of capacity is provided which covers treatment and recovery advice to all parties involved within Mr. Dale Kam's recovery and return to work process. A certificate of capacity is required and needs to cover you for each day of your claim until a Final Pre-Injury Duty Certificate is issued.	Dale Kam	24/05/2020
To keep Treating Providers, Workers Insurance, and Employer up-to-date.	To update Treating Providers, Workers Insurance, and Employer regarding progress or any change in circumstances/condition. To speak to the relevant stakeholders regarding concerns or enquiries.	Dale Kam	31/03/2020
Nominating your treating doctor	Nominate a treating Doctor who will participate in the development of your plan and provide information that is required.	Dale Kam	31/03/2020
To attend reasonably necessary treatment to improve your functional capacity and recovery	Workers Insurance have approved Dr Alice Changs recommended surgery for Left Ankle – Arthroscopy + ORIF. Dale Kam is scheduled to attend 24/3/20 at Strathfield Private Hospital.	Dale Kam	24/03/2020
