Dear Sir/Madam

RE: RETURN TO WORK PROGRAM WORKSHOPS

In May 2017, the State Insurance Regulatory Authority (SIRA) introduced new Guidelines for Workplace Return to work Programs for all employers in New South Wales.

SafeWork NSW
Level 1, 60 Boreli street
Wollongong NSW. 10am
Tue. 26/2/19

As an employer with a basic tariff premium greater than \$50,000 per annum, your business identifies as a Category One employer which mean you have some additional responsibilities and obligations.

On behalf of SIRA, SafeWork NSW will be running workshops across the state to provide businesses with information on how to develop a Return to Work Program in accordance with these guidelines.

All category one employers need to meet the requirements of these guidelines by 31 May 2019. To ensure your Return to Work Program is meeting these requirements, please come along to a workshop near you.

To find your nearest workshop, please go to <https://www.eventbrite.com.au/o/return-to-work-team-18024903242> and register your attendance.

Morning tea, and a copy of the guidelines, will be provided.

Yours sincerely
